

# Ambuja Plus

So dense and strong....it stops even leakages!

**Ambuja**

**PLUS**

## Special features of **Ambuja Plus**

### **Extra Strong**

Ambuja Plus is made using SPE (Special Performance Enhancer) technology, which results in 100% extraction of silica gel present in cement which gives extra strength to your house

### **Dense Concrete**

SPE (Special Performance Enhancer) technology makes concrete denser

### **Leak-Proof**

Ambuja Plus makes the concrete so dense that leakages are almost non-existent

## Excellent finish

Ambuja Plus helps in making a smoother concrete mortar that provide excellent finish
